**MOTIONS FOR EXTENSION, SHORTENED ANSWER PERIOD,
AND EXPEDITED ACTION OF THE
INDEPENDENT MARKET MONITOR FOR PJM**

Pursuant to Rules 212 and 2008 of the Commission’s Rules and Regulations,¹ Monitoring Analytics, LLC, acting in its capacity as the Independent Market Monitor for PJM² (“Market Monitor”), respectfully requests an extension of time, until November 17, 2023, for the submission of protests and comments in the above captioned dockets. The current deadline for the submission of comments is November 3, 2023.³ The Market Monitor further requests a shortened period for answers to the motion for extension, to October 25, 2023, and for expedited action on the motion for extension by the Commission by October 27, 2023.

capacity markets. More time is required for preparation of an adequate response than the current deadline affords. Additional time will allow the Market Monitor and other parties to submit more complete filings that will improve the record in this proceeding and provide a better basis for decision making.

Accordingly, the Market Monitor respectfully requests that the Commission grant this motion for extension.

II. MOTION FOR SHORTENED ANSWER PERIOD AND EXPEDITED ACTION

The Market Monitor requests that the Commission shorten the time for responses to this motion from five to three days, which would make answers to this motion due on Wednesday, October 25, 2023. In addition, the Market Monitor requests that the Commission act on this motion for extension expeditiously and issue an order on or before October 27, 2023. A shortened answer period and expedited Commission action are necessary in order to provide the Market Monitor and other parties with sufficient notice of an extension, if granted, which would facilitate the preparation of their protests and comments.

Accordingly, the Market Monitor respectfully requests that the Commission also grant the motions for shortened answer period and expedited action.

Respectfully submitted,

Jeffrey W. Mayes
