---

On Friday, October 17, at 1:00 PM (ET), Monitoring Analytics will present a user training webinar about the new Member Information Reporting Application (MIRA).

PJM market participants are required to report information related to unit costs to Monitoring Analytics, the Independent Market Monitor (IMM) for PJM. The MIRA system has been developed to collect this required data. MIRA replaces CODA.

To register for this training, please send email to [mira@monitoringanalytics.com](mailto:mira@monitoringanalytics.com), with subject line: "Registration for MIRA User Training". Please include in your email registration the following information:

- Name
- Company affiliation
- Telephone
- Email

As spaces are limited for the training webinar, the first 100 registrants will be invited to attend the secure webinar. If there are more than 100 registrants, additional training sessions will be scheduled to accommodate all training requests.

Please direct any questions regarding this communication to the Monitoring Analytics MIRA email address at [mira@monitoringanalytics.com](mailto:mira@monitoringanalytics.com).

Thank you,
