SUBJECT: RPM Unit-Specific Offer Cap Review Process

The Independent Market Monitor (IMM) for PJM invites RPM market participants who submit unit-specific offer cap related data (ACR and/or APIR) to meet individually to discuss the review process. The intent of the meetings is to clarify and address any concerns with the review process and the rules governing the review process, and to initiate discussions on any process improvements or potential rule changes.

Please contact Suzette Krausen (ma@monitoringanalytics.com) to coordinate the scheduling. It is preferable that the meetings are in person; however, conference calls can be arranged.
