**MOTION FOR EXTENSION
OF THE INDEPENDENT MARKET MONITOR FOR PJM**

Pursuant to Rule 212 of the Commission’s Rules and Regulations,¹ Monitoring Analytics, LLC, acting in its capacity as the Independent Market Monitor for PJM (“Market Monitor”), moves for an extension of its requested deadline to answer, if it becomes necessary, the motion filed by Talen Energy Marketing, LLC (“Talen”), on December 5, 2016, opposing the Market Monitor’s motion to intervene in this proceeding, which was filed July 11, 2016.

In its motion for leave to answer filed December 23, 2016, the Market Monitor explained that because the parties remain actively engaged in settlement discussions and believes that a settlement resolving its concerns can be achieved, it would not be productive to submit an answer prior to the next scheduled settlement conference. Because the settlement conference has been rescheduled to February 1, 2017 (at the request of another party), the Market Monitor requests a corresponding extension of its deadline to answer to three business days after the next settlement conference convenes, be it February 6, 2017, or a later date.
