Dear Secretary Bose:

On June 1, 2020, Monitoring Analytics, LLC, acting in its capacity as the Independent Market Monitor for PJM ("Market Monitor"), filed comments including an attached report in the above referenced dockets. The comments and report recommended that the proposed transactions not be approved without certain mitigation measures recommended by the Market Monitor.

The Market Monitor analyzed all three proposed transactions together. Accordingly, the mitigation measures included in the Market Monitor report are recommended in each proceeding, including Docket No. EC20-55.

Sincerely,

Jeffrey W. Mayes, General Counsel
