Re: *PJM Interconnection, L.L.C., Docket No. ER23-1058-000*

Dear Secretary Bose:

On March 13, 2023, PJM Interconnection, L.L.C. ("PJM"), filed a "limited answer" in this proceeding ("March 13th Answer") that PJM explains (at 1) is: "to confirm the PJM commitments ... between PJM and IMM."

Monitoring Analytics, LLC, acting in its capacity as the Independent Market Monitor for PJM ("Market Monitor") here confirms, based on PJM's commitments in the March 13th Answer, withdrawal of its request that the Commission reject PJM's filing in this proceeding. The Market Monitor does not withdraw its comments, or otherwise modify its arguments in any way, and it reserves its ability to raise these arguments in future proceedings.

The Market Monitor looks forward to working with PJM and with stakeholders, to develop revisions to the rules to better coordinate, clarify, make consistent, and otherwise improve the rules for defaults.

Sincerely,

Jeffrey W. Mayes, General Counsel
