ANSWER OF THE INDEPENDENT MARKET MONITOR FOR PJM

Pursuant to Rules 213 and 2008 of the Commission’s Rules and Regulations,¹ Monitoring Analytics, LLC, acting in its capacity as the Independent Market Monitor (“Market Monitor”) for PJM Interconnection, L.L.C. (“PJM”), submits this answer in support of the motion for extension and shortened motion comment period filed in the proceeding by the Maryland Office of the People’s Counsel and the Maryland Public Service Commission (“Movants”) on April 26, 2024.² Movants request an extension of 25 days, such that the new comment date would be June 3, 2024.

In addition, Movants request that the comment period for this motion be shortened to three days.

Good cause exists to grant each of the motions. The filings of service agreements pursuant to Part V of the OATT raise significant issues that require more time for adequate consideration than the current deadlines afford. The additional time will allow Movants, the Market Monitor and other interveners to submit more complete filings that will improve the record in this proceeding.

¹ 18 CFR § 385.213 & 385.2008 (2024).

² See Combined Notice of Filings #1, Docket Nos. ER24-1787-000, ER24-1790-000, et al. (April 18, 2024).

Accordingly, the Market Monitor respectfully requests that the Commission grant the motions.

Respectfully submitted,

Jeffrey W. Mayes
